

Programme

Breakfast & Registration 0800 -0845

Keynote Speaker

Caterina will deliver a keynote to set the tone for the conference – highlighting key challenges and opportunities.

0845 - 0900

Keynote

Green Alliance;

Caterina Brandmayr, Senior Policy Advisor

Session 1: Achieving Net Zero Q&A

0900 - 1015

Leading figures at the forefront of the conversation will share their expert knowledge, with open Q&A from the audience and thought-provoking discussion.

Chair: AECOM; Miles Attenborough, Director of Sustainable Development

Green Party; Jonathan Bartley, Co-Leader

Green Alliance; Caterina Brandmayr, Senior Policy Advisor

University of Leeds; Dr Jannik Giesekam, Research Fellow in Industrial Climate Policy

Energy Systems Catapult; Paul Guest, Senior Energy Modelling Analyst

Sustainability West Midlands; Anna Bright, Chief Executive

Building with Nature; Sarah Turner, Assistant Director

1015 - 1045 Break & Networking

Session 2: Buildings

1045 - 1200

What are major developers and blue-chip firms doing to make construction greener and to increase the sustainability of their buildings? In this session we'll find out – with details on how they'll look to develop future projects with net zero at the forefront of their mind.

Chair: Waterman Infrastructure & Environment; Chloé Souque, Associate Director - Sustainability

South Cambridgeshire District Council; Cllr Bridget Smith, Leader

Canary Wharf Group; Kristina Arsenievich, Senior Sustainability Manager

CITU; Chris Thompson, Managing Director

British Land; Juliette Morgan, Head of Campus

Grosvenor Group; Chantal Henderson, Director of Commercial Finance

Transport for London; Derek Wilson, Senior Sustainable Development Manager

1200 - 1300 Lunch & Networking

Session 3: Electricity

1300 - 1415

We will hear from the leadership of car manufacturers, charging point creators, university experts, energy providers and more on how the electrification of our vehicles and infrastructure is essential to cutting our emissions – and importantly how it'll change the way we approach development.

Chair: Available to Sponsor

University of Cardiff; Liana Cipcigan, Co-Director of the Electric Vehicle Centre of Excellence

Engenie; Ian Johnston, Chief Executive

Green Energy UK; Douglas Stewart, Chief Executive

Rolls Royce; Eddie Orr, Head of Electrical Capability

E.ON; Shahid Rana, Commercial Development Manager for E.ON Drive

London Borough of Greenwich; Pippa Hack, Director for Regeneration*

1415 - 1445 Break & Networking

Session 4: Alternative Energy Sources

1445 - 1600

Some of the biggest contributors to releasing carbon emissions come from the industry, waste and infrastructure sectors, and in this session we'll find out what they're doing to cut waste, how we can make our waste biodegradable, how our infrastructure can be made more eco-friendly and more energy efficient whilst reducing their emissions. We'll also learn about and how this will all contribute towards us achieving net zero carbon emissions by 2050.

Chair: Available to Sponsor

Viridor; Paul Brown, Director of Capital Projects

Peel Environmental; Myles Kitcher, Managing Director

Iona Capital; Julia Safiullina, Investment Manager

Hive Energy; Hugh Brennan, Managing Director

Vital Energi; Nick Gosling, Group Strategy Director

1600 - 1615 - Conference Summary & Conference Close
