

Programme

Breakfast & Registration 0800 - 0900

Keynote Speaker

A top regional stakeholder will open the event with an inspirational keynote, setting the tone for the conversation to come.

Keynote

ANO

TBC

0900 - 0915

Session 1: Keeping the Lights On: Overview of Energy in the UK & Challenges Ahead

0915 - 1015

Leading voices from the energy sector give an insight into the current state of energy and renewables in the UK and explore the challenges to come with destructive climate change, with audience-led Q&A throughout

Chair: Available to Sponsor

Marine Energy Wales; David Jones, Project Director

Cheshire Energy Hub & Energy Innovation District; Ged Barlow, Chair

North West Hydrogen Alliance & Thornton Energy Institute; Joe Howe, Chair & Executive Director

Legal & General Investment Management; Marija Simpraga, Infrastructure Strategist

1015 - 1045 Break & Networking

Session 2: Renewable Energy - The Key to a Green Future

1045 - 1200

Top companies from the Wind, Solar, BioEnergy and Hydro sectors will give us an exclusive insight into their exciting and innovative new projects and developments as they develop major new sites to help the UK become more sustainable and carbon neutral.

Chair: Available to Sponsor

North West Business Leadership Team; Emma Degg, Chief Executive

The Crown Estate; Will Apps, Head of Energy Development

Progressive Energy; David Parkin, Director

SSE Renewables; Alexandra Malone, Head of Corporate Affairs

1200 - 1300 Lunch & Networking

Session 3: Innovative Energy Sources

1300 - 1400

'Traditional' methods of producing energy are not going to be enough to power our future. Innovative and sometimes controversial methods of creating energy may need to be considered, and in this session, we'll hear from companies at the forefront of these developments as they outline their plans.

Chair: Available to Sponsor

Drax; Dr Rebecca Heaton, Head of Climate Change

SembCorp Energy UK; Tim Foster, Head of Origination

UK Atomic Energy Authority; Chris Peters, Business Manager, Fusion Technology Business Unit

Intelligent Land Investment Group; Mark Wilson, Chief Executive

EDF Energy; Julia Pyke FEI, SZC Director

Session 4: New Developments and Energy

1400 - 1500

One of the biggest challenges facing developers is how to sustainably power their projects; in this session we'll hear from top developers explaining the challenges and opportunities this presents and what they need from the energy sector.

Chair: Available to Sponsor

Canary Wharf Group; Kristina Arsenievich, Senior Sustainability Manager

Peel Environmental; Jane Gaston, Development Director

Brockwell Energy; Alex Lambie, Chief Executive

National Grid; Clara Semal, Electricity Transmission Network Manager

1500 - 1515 - Conference Summary & Conference Close
