AWE; Gwynneth Page, Hub, West End Development and Agile Working Sponsor & Andy Burnett-Dale, Head of Estate Strategy

Session 3: Investing in and Developing Schools, Colleges and Universities

1115 - 1200

The education sector is home to vast swathes of estates across the UK. From central government to schools, colleges and Universities, this session will explore future estates projects and innovations being carried out across the sector with input from policy makers and agenda setters

Chair: Available to Sponsor

LocatED; Lara Newman MBE, Chief Executive

Department for Education; Crawford Wright, Head of Architecture and Design

University of London; Caroline Samson, Head of Asset Management

1200 - 1245 Lunch & Networking

Session 4: Ministry of Justice - Estates Opportunities and Challenges

1245 - 1330

Up to £2.5bn is set to be spent by the government on creating modern and efficient prisons across the UK. In this session delegates will learn how their business can contribute to the creation of 10,000 new prison places through engaging with Ministry of Justice decision makers.

Chair: Available to Sponsor

Ministry of Justice; Lynda Rawsthorne, Prisons Infrastructure Director and Sue McElroy, Contract and Commercial Management

Session 5: Government Led Future Healthcare Development Plans

1330 - 1415

With 40 new hospitals promised over the next 20 years, this panel will divulge market intelligence and explore challenges, opportunities and future major projects through a series of presentations with those responsible for delivering them

Chair: Available to Sponsor

NHS Property Services; Adrian Powell, Head of Property Development

The Royal Marsden NHS Foundation Trust; Sunil Vyas, Director of Projects and Estates

University Hospital of North Midlands NHS Trust; Lorraine Whitehead, Director of Estates and Facilities

1415 - 1445 Break & Networking

Session 6: Home Office Estates Strategy

1445 - 1545

Organisations under the Home Office umbrella have embraced the one public estate agenda. With a host of estates disposal, repositioning and rationalisation taking place across blue light services this panel will bring delegates up to date with the next raft of development while exploring future policy direction and opportunity.

Chair: Available to Sponsor

Home Office; Sara Kahner, Head of Estate Strategy and Client Function Security

National Police Estates Group; Sallie Blanks-Nash, National Co-ordinator

Local Government Association; Ellen Vernon, Programme Director – One Public Estate

1545 - 1600 - Conference Summary & Conference Close
