
Programme

0900 - 0930 Doors Open & Networking

Keynote:

0930 - 0945

We'll kickstart the conference with a keynote session.

Autodesk; Paolo Martinez, Product Marketing Manager

0945 - 1000 Networking & Exhibition

Session 1: Digital Construction – Expert Q&A

1000 - 1100

In this Question Time style session, you'll be able to ask your questions to a panel of experts – who're all key influencers and stakeholders in the future of digital in the construction industry.

Chair: Autodesk; Dimitris Vernon, Manager (Customer Success)
UWE; Dr Manuel Davila Delgado, Associate Professor and Vision Network Lead
Construction Innovation Hub; David Philp, Interim Impact Director
CITB; Marcus Bennett, Innovation & Strategy Lead
Centre for Digital Built Britain; Alexandra Bolton, Executive Director

1100 - 1130 Networking & Exhibition

Session 2: Digital Infrastructure and Connectivity- the future of inclusive economic growth in Britain?

1130 - 1230

Developers, thought leaders and digital infrastructure experts unveil how they're using cutting edge technology as part of major infrastructure development programmes across the UK.

Transport for Greater Manchester; Anna Craciun, Innovation Strategy Officer
Transport for the South East; Rob Dickin, Transport Strategy Manager
District Technologies; Lee Vanessa Butz, Founder
The Scotland 5G Centre; Michael Burns, Business Development Manager

1230 - 1300 Networking & Exhibition

Session 3: UK BIM Framework – What Are The Benefits?

1300 - 1345

A major collaborative effort in the industry has seen the roll out of the UK BIM Framework – an overarching plan to implement BIM across all future projects. There is becoming a bigger push for this across all public and private sector schemes and in this session, we discuss the benefits.

Kingspan; Brian Glancy, Head of BIM Strategy
Environment Agency; Karen Alford, FCRM Manager - Digital Asset Data and Information
L&Q; Johnny Furlong, BIM Strategy Lead

1345 - 1400 Networking & Exhibition

Session 4: Digital Innovation in Development

1400 - 1500

A host of the UK's biggest developers showcase their future development schemes and talk about how digital technology will play a part in not only the design and build but for the occupiers and end users within the finished product.

Lendlease; Matt Warren, Head of Digital Engineering
Argent; Claudine Blamey, Head of Sustainability & Digital Strategy
Urban Splash; Jason Byrne, Head of Digital
IBM; Paul Surin, Global Lead BIM & Built Environment

1500 – 1530 Networking & Exhibition & Close
