

Programme

0900 – 0930 Doors Open & Networking

Session 1: Development 2040

0930 - 1030

Covid-19 has altered the landscape for development across the UK. This session will take into account the 'new normal' and discuss what the property and development sector look like in 20 years' time? How will technology play a part? How will the zero carbon agenda factor into future developments and infrastructure? How will the property market evolve? Our expert panel of speakers are here to give their opinion.
