

Programme

0930 - 1000 Doors Open & Networking

[Conference Introduction and Welcome from our Sponsor](#)

1000 - 1015

Andrew Scott; Mark Bowen, Managing Director

[Session One: Transport for Wales; Their Role in Economic Growth and Prosperity](#)

1015 - 1100

We will hear from Transport for Wales who will provide an overview of their activities in Wales and the role that they play in supporting and facilitating economic growth. Lee will also go into detail about the proposed Metro scheme in North Wales. The session will combine a presentation with a discussion and an opportunity to ask questions.

Transport for Wales; Lee Robinson, Development Director for North Wales

1100 - 1145 Networking & Exhibition

[Breakout – DCW Group](#)

1115 - 1130

DCW Group has developed a new innovative solution that will save time and costs within the development journey of new homes, potentially shaving 3-months off the process. He'll reveal all in this session.

DCW Group; Dean Ward, Managing Director

[Session Two: Solving the Housing Crisis in Wales](#)

1145 - 1245

An in depth look at several major residential schemes that are set to be delivered in the nation's cities and towns over the forthcoming years with presentations by the developers and public sector leadership that are unlocking them.
