

Programme

0930 – 0950 Doors Open & Networking

Session One: A Journey To Inclusive Growth

0950 - 1100

Experts and major influencers from across the south coast take to the stage for a strategic discussion on the post pandemic recovery, the challenges ahead and the major opportunities the region has to offer for development, regeneration and inclusive economic growth.

Brighton & Hove City Council; Geoff Raw, Chief Executive
NewRiver; Justin Thomas, Director of Development
Sustrans; Megan Streb, Partnership Manager, England South

1100 - 1130 Networking & Exhibition

Session Two: Building Inclusive and Sustainable Communities

1130 - 1230

In this session we will learn more about sustainable development and regeneration across the region. As one of the major issues affecting the property and construction sector, more intel will be revealed on the creation of new housing and new employment opportunities in the region through a series of presentations where developers will unveil their future sustainable projects.
