HS2 will bring transformational economic growth to the UK. Be part of the discussion and discover how your business could benefit from the estimated **£56billion investment** through procurement opportunities, association with local authorities and regeneration of communities along the entire line.

The only UK event officially supported by HS2 Ltd, join the conversation and grow your business by networking with over **500 delegates, 75 VIP** speakers and **45 exhibitors** at the HS2 Economic Growth Conference brought to you by Built Environment Networking.

We are offering the opportunity to **directly engage** with **senior representatives** from each of the main HS2 hubs as well as space for dialogue with officials from further afield such as Liverpool, Newcastle, Wigan and Chesterfield, all of whom stand to see unparalleled positive change for their region.

All the hubs will be exhibiting; **Euston, Old Oak, Birmingham Curzon, Birmingham Urban Growth Company, East Midlands, Sheffield, Leeds, Crewe & Manchester**

Also incorporating **Transport for the North**, representations will be made in relation to **Northern Powerhouse Rail** and its value to the wider Northern Powerhouse project.

Your competitors will not miss out on attending this forum where your organisation will learn about the UK **unlocking £92billion growth in GDP**, the creation of **100,000 new jobs**, the **building of 30,000 new homes** and constructing **40 million metre squared of new commercial space**

Our **Early Bird tickets** will finish soon - **BOOK NOW** to avoid disappointment!
