

Programme

Breakfast & Registration 0800 - 0845

Keynote Speaker

After a morning of networking, guests will be asked to take a seat before being welcomed to the event by a senior figure in the smart city agenda – and they'll inspire the audience and set the tone for discussions to come.

Keynote

Supported by the Mayor of London

Theo Blackwell, Chief Digital Officer

0845 - 0900

Session 1: Smart Cities – The European Perspective

The first panel of the day will consist of our European counterparts – with leaders sharing best practice, revealing details of their future smart city schemes and giving insight into their future ambitions.
