Keynote 3

Corporate Partner

Session 1: Benefits for Offsite Manufacturing for Construction – Panel Discussion

0900 - 1000

Our first session will comprise of those that are at the forefront of the thought leadership in the sector and will define the industry requirements and necessary action required.

LandSec (Neil Pennell, Head of Design Innovation & Product Solutions)

Manufacturing Technology Centre (Trudi Sully, Associate Director – Construction)

First Base (Steve Eccles, Project Director)

HTA Design (Rory Bergin, Partner – Sustainable Futures)

1000 - 1030 Break & Networking

Session 2: Offsite Requirements - Presentations & Panel Discussion

1030 - 1130

The next session will see representatives from a variety of sectors discussing how they see offsite and modular as key to their future development plans.

Chair: Steve Newell, Director, Portakabin

Department for Education (Tom Stocks, Project Director – Education Funding Agency)

Harrogate Council (Kathryn Daly, Head of Place-Shaping & Economic Growth)*

Crown Commercial Services (John Welch, Deputy Director)

Session 3: Requirements in Housing - Presentations & Panel Discussion

1130 - 1215

This session calls upon Local Authorities and housing providers to outline how they see modular and offsite manufacturing helping to solve the housing crisis. We'll be joined by the likes of Greater London Authority to see how it fits into their strategic housing plans.

LHC (Tony Woods, Head of Construction)

United Communities (Oona Goldsworthy, Chief Executive)

L&Q (Lanre Gbolade, Senior Product Innovation Manager)

Bristol City Council (Cllr Paul Smith, Cabinet Member for Housing)

1215 - 1315 Lunch & Networking

Lunch: Quick Fire Best Practice Presentations

1230 - 1300

Suppliers and experts from the off-site manufacturing sector share quick-fire 5-minute presentations on innovative solutions, best practice and opportunities within the industry and how they can help provide solutions to potential barriers and constraints.

Best Practice Session 1: **Local Authority Building Control (LABC)**

Best Practice Session 2: **Portakabin**

Session 4: Requirements in Housing - Presentations & Panel Discussion

1315 - 1415

This session calls upon Local Authorities and housing providers to outline how they see modular and offsite manufacturing helping to solve the housing crisis. We'll be joined by the likes of Greater London Authority to see how it fits into their strategic housing plans.

Chair: Arcadis TBC

Central Housing Investment Consortium (John Fisher, Managing Director)

Kirklees Council / Big Build (Naz Parkar, Director of Housing)

Homes England (Phil Collings, Senior Land Manager)

Swan Housing (Valerie Owen, Chair)

McAvoy Group (Lorraine McMorrow, Digital Construction Manager)

1415 - 1430 Break & Networking

Session 5: Heathrow - Offsite Hubs - Presentations & Panel Discussion

1430 - 1515

The airport is looking at undertaking a massive search for offsite development hubs to aid the delivery of their £14bn third runway. The airport will be announcing four sites later this year and they'll be discussing their needs and how offsite will plan a role in their expansion.

Heathrow Airport (Rob Ewan, Expansion Delivery Director)

Heathrow Airport (Emma Jane-Houghton, Expansion Commercial Director)

Session 6: Modular Providers - Presentations & Panel Discussion

1515 - 1615

Some of the leading developers of modular solutions share quick-fire presentations revealing their plans to accelerate the delivery and use on major development sites across the UK, answering the challenges brought up throughout the day and how you can get involved within their projects.

Caledonian Modular (Andy Smith, Head of Business Development)

Project Etopia (Joseph Daniels, Chief Executive)

Premier Modular (Nathalie Meunier, Business Development Director)

Ilke Homes; (Paul Mason, Client Lead)

1615 - 1700 Conference Close & Networking
