Session 3: UK Airport Cities; Future Development Plans

After lunch a panel of UK airports will discuss their strategic importance in their region and how future expansion plans will provide a catalyst for wider economic growth

1300 - 1400

Chair: Available to Sponsor

1400 - 1430 Break & Networking

Session 4: Airport of the Future

As a framework of the Paris Agreement, airports will need to be zero carbon by 2050. This session shall see experts shed light on plans to meet this criteria coupled with an insight into how airports will run in the future.

1430 - 1530

Chair: Available to Sponsor

Session 5: The Aerotropolis; Future Developments

The ecosystem of an airport is much more than an airport itself. Our final panel will hear from developers and government officials on their plans and ambitions to provide key services and infrastructure to UK airports.

1530 - 1630

Chair: Available to Sponsor

1630 - 1645 - Conference Summary & Conference Close
